---

To keep better communication and interaction between students, a three stage (first year students in a particular group of mentorship structure may interact with seniors of II, III and IV year of the particular group) student mentorship cum counselling structure had been started from the academic session 2019-20. The student mentorship programme (SMP) cum student counselling has very successfully completed its first year with the objectives for which it was created. A number of programmes related to welfare and well being of the students and counselling sessions were organised under this programme. This unique initiative taken by the office of Dean (SW) was highly appreciated by the students of the Institute. Looking into its successful completion of one year, we are in the process of making new members of SMP cum counselling team of the students with same structure for the academic year 2020-21.

In this context, separate nominations are invited from boy and girl students of each branch and each year of B.Tech. programmes as per the following details:

1. Nine (09) final year students (one from each branch) for mentoring the junior students of their respective branches. We call it stage 1.
2. Eighteen (18) third year students (two from each branch) for mentoring the junior students of their respective branches. We call it stage 2.
3. Ninety (90) 2<sup>nd</sup> Year students (10 from each branch) for mentoring the junior students of their respective branches.

Students who want to volunteer themselves for this programme may submit the Google Form made for this purpose. The Link of the Google Form [Nomination for Students Mentorship Programme at MNNITA](https://forms.gle/nFdSjCkuHBQiTuLR9) is as given below:

<https://forms.gle/nFdSjCkuHBQiTuLR9>

The last date of submission of Google Form is **30<sup>th</sup> August 2020**.
