**Subject: Lok Sabha admitted Starred Question No.\*158 for 31.07.2023 regarding 'Permanent Academic Positions held by Women' - request for inputs.**

Dear Sir/Madam,

Please refer to your email dated 26.07.2023 on the above mentioned subject. In this connection, the desired information in respect of MNNIT Allahabad is as follows:

**(a) whether the Government has a list of total number of women who currently hold permanent academic positions in the Indian Universities and other academic Institutions of Eminence;**

Enclosed as per ANNEXURE-I.

**(b) if so, the details thereof as compared to the total number of men holding such positions in Indian Universities and other academic Institutions of Eminence and if not, the reasons therefor;**

Enclosed as per ANNEXURE-I.

**(c) the steps taken/being taken by the Government to increase the gender diversity at these positions;**

MNNIT Allahabad strives to have a workforce which also reflects gender balance and hence, female applicants are especially encourage to apply for the Direct Recruitment vacant positions advertised by the Institute. MNNIT Allahabad, exempts the women applicants from the payment of processing fee as a result of which a large number of female applicants apply for the vacant positions.

**(d) & (e) whether the Government is planning to launch a policy to prioritize recruitment of women in such institutions; and if so, the details thereof and if not, the reasons therefor?**

20% supernumerary seats has been created for Girl students thereby increasing the overall Intake and keeping the percentage of seats for other as intact in admission in the Institute.

Also, Institute provides various scholarships and good placements opportunity for the students studying in the Institute. Further, mentoring to the students is provided from time to time to solve their specific problem. Necessary support is also provided by the Alumni of MNNIT Allahabad to the students from time to time as per the academic requirement.

The above, helps in the increase in the number of female students studying in higher education and becoming eligible for participating in the recruitment process in the scientific/ technical/ research/ engineering field.

This is for your kind information, please.

Thanking you,

Yours truly,

**[Ramesh Pandey]**
